My main objective, as I apply to be a Top Blokes Ambassador, is to further develop the knowledge and skills I have gained through the Junior Top Blokes program, and to promote the positive work Top Blokes Foundation accomplish, throughout the wider community. As an ambassador, I am aware that my actions reflect on myself as a member of the youth community and as a representative of Top Blokes Foundation and its mission and partnerships. I promise to conduct myself in an honourable manner. I will participate in the program to the best of my ability.
